RESPONSE TO NOTICE TO FILE MISSING REQUIREMENTS

Sir:

This paper is submitted in response to the Notice to File Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), mailed September 16, 2006, ("the Notice"). The Notice requires submission of a declaration of the inventors and payment of the late oath or declaration surcharge. Applicants submit that the Notice was issued in error and should be withdrawn for the reasons discussed below.

The present application is a national stage of a PCT application that was filed using the procedures specified for meeting the declaration requirements for US national stage applications. Enclosed is a copy of the publication bibliography for corresponding International Publication Number WO 03/104964, published on December 18, 2003, which indicates the Declaration of inventors was filed under PCT Rule 4.17. Accordingly, Applicants submit that the application as filed met the requirement for an oath or declaration of the inventors. Applicants request withdrawal of the Notice and acceptance of the national stage application without further charges.

No fee is believed due as Applicants believe the Notice was issued in error. However, if any extension of time for the accompanying response or submission is required, Applicant
